

Holiday Gift

MICHAEL PHELPS

Developed in partnership with Michael Phelps and Coach Bob Bowman, the **MP Technique Paddle** is designed for all strokes, a natural feel of the water, and alternate hand positions. Its structural design promotes proper vertical forearm technique and emphasizes stroke mechanics.

Technique Paddle: \$19.99

FINIS

The Swimsense Live is the ideal training tool for any swimmer looking to build motivation, promote healthy habits, and make the most of every swim. The Swimsense Live is a waterproof fitness-tracking device that uses proprietary algorithms to record stroke count, distance, time/pace, and more.

Swimsense Live Sale Price: \$50

SWIMOUTLET.COM

The **USMS Steel Sports Bottle** is a must-have in every swimmer's training bag to stay hydrated and cut down on plastic waste. This reusable bottle is a bright pop of color with a clip-on carabiner and ring to attach it to your bag.

Keep your coffee hot or your iced latte cold in this sleek **USMS Tumblr Mug**. It has a stainless-steel finish, screw-on lid for easy cleaning, and a thumb-slide closure to prevent spills.

Sports Bottle: \$8.35

Tumblr Mug: \$8.10

Guide

ROKA

The **SIM** is a pair of buoyancy shorts made of neoprene that mimics the lift and body position offered by a wetsuit, without causing you to overheat. It's also a pull buoy replacement, vertical kicking tool, and open water race simulator all in one. The reduced buoyancy on the sides of the SIM Pro suit encourages proper rotation, and the SIM Elite offers maximum buoyancy.

SIM Pro: \$120
SIM Elite: \$90

MALIBU C

Swimmers Wellness Collection by Malibu C is an award-winning trio that gently, yet effectively, transforms swimmers' strands and restores hair to a dramatically healthier condition! Cruelty-free, 100 percent vegan, made in the USA, and formulated without gluten, parabens, and sulfates.
